About Us

At Hari Krupa Granite, we take pride in being a trusted name in the granite and natural stone industry, delivering excellence since 2017. Founded by Mangilal Rajpurohit, a visionary entrepreneur with over 35 years of expertise, our firm specializes in providing premium-quality granite, marble, and natural stones like Kota Stone, Jodhpur Stone, and Mandana Stone.

With a state-of-the-art manufacturing unit in Khammam and a customer-focused approach, we cater to diverse residential, commercial, and infrastructural needs across India. Our commitment to quality, innovation, and timely delivery has earned us the trust of clients nationwide.

Explore our wide range of products and let us help you bring your vision to life with timeless stone solutions.

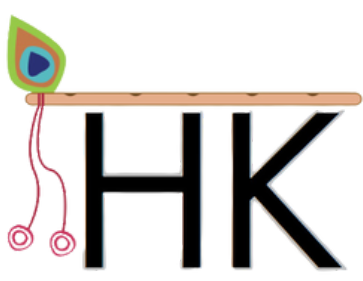

Manufacturing unit

Our State-of-the-Art Manufacturing Unit

At Hari Krupa Granite, we take immense pride in our advanced manufacturing unit located in Khammam, Telangana, a region renowned for premium-quality black granite. Our facility is equipped with cutting-edge machinery, including 6 multi-cutters, 6 polishing machines, and 1 liner polishing machine, enabling us to deliver top-notch granite products with precision and efficiency.

With a production capacity exceeding 1 lakh square feet per month, we meet the demands of a diverse clientele, ranging from residential to commercial and large-scale infrastructural projects. Our skilled team ensures that every slab of black granite reflects superior craftsmanship and consistency in quality. Trust Hari Krupa Granite for reliable production, timely delivery, and exceptional products that elevate your projects to new heights.

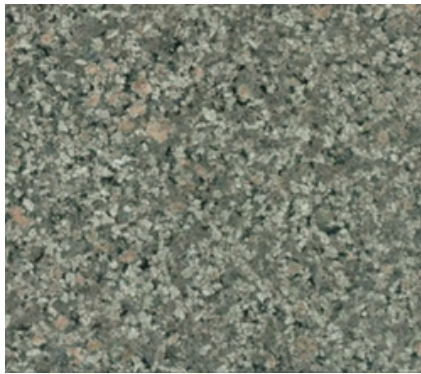

Granite

Granite - Timeless Beauty & Unmatched Durability

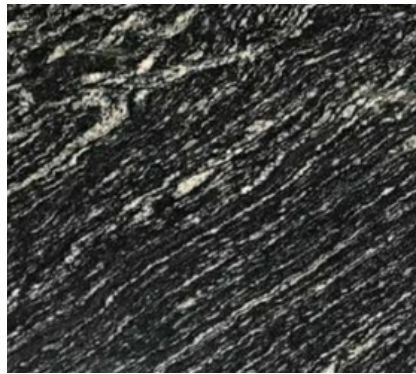

Granite is a natural stone renowned for its elegance, durability, and versatility. Formed from cooled magma, it is one of the most sought-after materials for both residential and commercial spaces. With its unique patterns, vibrant colors, and exceptional resistance to wear, heat, and weather, granite is ideal for a variety of applications, including kitchen countertops, flooring, wall cladding, outdoor spaces, and facades. It is low maintenance, easy to clean, and offers a perfect combination of style and practicality.

At Hari Krupa Granite, we offer a wide range of premium granite options with multiple finishes to suit every need. Choose from polished finishes for sleek, reflective elegance; honed finishes for a matte, modern look; leathered finishes for a textured, luxurious touch; and flamed finishes for outdoor slip resistance and durability. Our granite products are crafted with precision, ensuring exceptional quality, versatility, and longevity for all your design and construction needs.

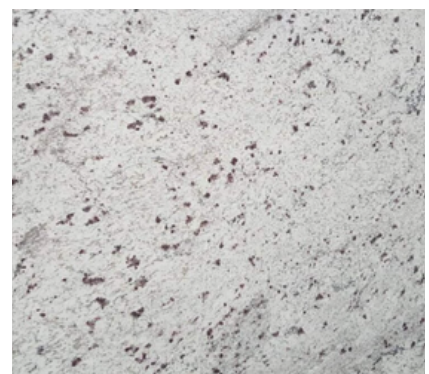

Experience Timeless Elegance with Hari Krupa Granite.

Stone

Natural Stones - A Blend of Elegance & Versatility

Natural stones are timeless materials that bring sophistication, charm, and functionality to any space. Known for their unique patterns, textures, and colors, natural stones like Kota Stone, Jodhpur Stone, Mandana Stone, and others are versatile options that can complement both modern and traditional designs. At Hari Krupa Granite, we provide a wide variety of high-quality natural stones perfect for residential, commercial, and outdoor projects.

Our natural stones are ideal for a variety of uses, including flooring, wall cladding, patios, pathways, landscaping, and feature walls. They are durable, low maintenance, and versatile, offering both aesthetic appeal and long-lasting performance. Whether you are designing indoor spaces, outdoor areas, or large-scale infrastructure projects, our natural stones promise beauty, functionality, and sustainability.

Discover the perfect natural stone solution with Hari Krupa Granite – beauty that lasts a lifetime.

Marble

Marble - Elegance Redefined

Marble is a timeless symbol of luxury and sophistication, cherished for its smooth texture, unique veining, and unmatched elegance. Ideal for both modern and traditional designs, marble is perfect for applications like flooring, wall cladding, countertops, staircases, and decorative features such as tabletops and accent walls. Its versatility and natural beauty make it a popular choice for residential and commercial spaces alike.

At Hari Krupa Granite, we offer a wide variety of marble to suit diverse tastes and needs, including classic White Marble, rich Green Marble, neutral Beige and Cream Marble, elegant Black Marble, and unique Multicolor Marble. Each slab reflects superior craftsmanship and quality, promising to enhance the aesthetics and functionality of any space. Choose marble for a touch of timeless elegance in your projects.

Cobble

Cobblestones – Timeless Durability and Charm

Cobblestones are a perfect blend of durability and rustic charm, making them an ideal choice for outdoor applications. Their strength and weather resistance ensure longevity, even under heavy traffic and harsh conditions. Available in a variety of natural stones like granite, sandstone, limestone, and basalt, cobblestones come in diverse colors, textures, and finishes to suit both traditional and modern design styles. They are widely used for driveways, pathways, patios, public squares, and landscaping, adding a timeless aesthetic to any space.

At Hari Krupa Granite, we bring our expertise in natural stone craftsmanship to provide high-quality cobblestones that meet your specific needs. Each piece is precision-crafted and rigorously tested for durability, ensuring reliable performance and enduring beauty. Whether you're designing a driveway or a decorative garden path, our premium cobblestones promise to enhance your outdoor spaces with elegance and functionality.
